Subject - Contributions due by the Mulbagal Town Municipality to the Several Departments of Government

I Adverting to your letter No L 4310/Ml 33-38-41 dated 25th November 1938, I have the honour to invite kind reference to my letter of even number dated 23rd June 1938, on the above subject and to state as follows

It is seen from the reports received from the President of the Municipality (copies of which are enclosed for kind reference) that the financial position of the Municipality continues to be very unsatisfactory and that its normal income is just sufficient to meet the obligatory and indispensab items of expenditure with their very - limited resources the Municipal Council have since paid a sum of Rs 264-13-6 towards the arrears of deficit guarantee for the maintenance of posts and telegraphs in the town and are straining their resources to the utmost capacity to meet other demands The Comptroller has since authorised the District Treasury to direct the Taluk Treasury of Mulbagal to debit the full amount due towards the guarantee amount to the Postal Department This has further reduced the balance available at the credit of the Municipality In these circumstances, I am of opinion that, if the Municipal Council were compelled to pay up all the ~~several~~ arrear contributions due to the several Departments of Government as detailed in the margin, the normal civic activities of the Municipality will have to be held up This was one of the ~~representations~~ made to the Deputation on the occasion of his recent

Sir,

With rererence to your letter No L 2619/ml 33-38-103 dated 6-9-39, calling for a report in the matter of payment, by the Mulbagal Town Municipal Council of Rs 1,243-14-0, being the deficit in the guaranteed amount for the maintenance of Posts and Telegraphs in the town, I have the honour to enclose herein for favour of perusal a copy of the report No Ml C 68/39-40 dated 12-9-39, together with a copy of the statement received from the President of the Municipality in regard to the above subject, and to state that, as reported by the President, the arrears of the deficit amounts payable by the Municipality amount to - Rs 753-14-0, and not Rs 1243 14 as intimated by the Comptroller The President requests that he may be permitted to pay up the arrears, viz , Rs 753-14-0, in four annual instalments commencing from the current year if it is not possible for the Government to consider sympathetically the prayer of the Municipal Council to waive the recovery of the amount altogether in view of their straitened finances

I am personally aware that the financial position of the Municipality is not satisfactory and that it is not possible for the Municipal Council to pay up the amount in one lump I have therefore instructed the President to pay up half the amount immediately and the balance during the next quarter of the - current year and report the fact to this office A final report

report will be submitted to Government in due time

In the meanwhile I request that my action in permitting the Municipal Council to pay the arrears in two instalments may kindly be approved

---

With reference to your office memo No A 5 C 530/37-38, dated the 8th September 1939 regarding the arrears of deficit guarantee for the maintenance of the Posts and Telegraphs due by the Mulbagal town Municipality, I beg to enclose herewith a statement showing the arrears outstanding in respect of the above, for your kind reference It is seen from the statement that the amount of deficit guarantee due for the period from the 13th August 1930 to the 31st March 1931, as also for the years from the 1st April 1931 to 31st March 1932 and from the 1st April 1937 to 31st March 1939 have been paid in full, while a sum of Rs 100/- only was adjusted out of Rs 274-4-0 due in respect of the year ending 31st March 1934 A sum of Rs 1243-14-0, as detailed below, was therefore, outstanding adjustment at the end of March 1937 I have to invite reference in this connection to the correspondence ending with your office D O letter No P R 59/38-39 dated the 14th March 1939 asking for early adjustment of the said sum of Rs 1243-14-0 Of this, a sum of Rs 490/- was paid on the 31st March 1939 and the fact was intimated to you in this office No H C 131/38-39 dated the 2nd April 1939 As regards the balance of Rs 753-14-0, the question of waiving its recovery along with certain other arrear contributions was under correspondence with the Government But the proposal to meet the deficit amount from the General Revenues of the State was not viewed with favour by the Government

From 1-4-33 to 31-3-34	174--4-0

p t.o.

I would once again urge for your sympathetic consideration that a recommendation be made to our benign Government to waive the arrears still due This would greatly relieve the Municipality of a heavy burden and would enable it to devote its funds to the several urgent and important scheres for the improvement of the Mulbagal town

If it be decided that the arrears should be paid up, I would venture to request you very kindly permit the Municipality to pay the same in four instalments commencing from the year 1939-40 If this is approved provision will be made in the Budget Estimates for 1940-41 and the subsequent years for the payment, the instalment for the current year being met out of the closing balance
